## Mammoth Track Club Running Scholarship 2016

In 2010 the Mammoth Track Club Running Scholarship was created as a way to invest in the health and fitness of our local community, the Eastern Sierra. It is also a way to reward, encourage, and recognize our local running youth who achieve not only athletic excellence but academic success as well.

**Scholarship Committee:** The Mammoth Track Club Board will make the final selection of scholarship winners. Scholarship funds will be distributed upon the receipt of evidence of enrollment in a two-year or four year college for the succeeding academic year. Scholarships are awarded one time and are not renewable.

**Eligibility:**

- A high school senior graduating from a high school in the Eastern Sierra in the spring semester, 2016.
- Has participated as a runner in cross country and/or track and field programs in his/her junior and senior years of high school.
- Has been involved as a volunteer in his/her community.
- Has displayed exemplary citizenship and good sportsmanship on his/her running team.
- Preference will be given to an athlete who is planning to run competitively in a two or four year community college, college or university program during the succeeding academic year.

**Selection Criteria:** It will be the sole discretion of the scholarship committee to determine the best candidate(s) among those applying each year.

**Awards:** This year each Mammoth Track Club Running Scholarship will be for \$1,000. The scholarship is funded through donations to the Mammoth Track Club from local persons, businesses, organizations, and foundations and through proceeds from running events.

**Deadline:** Completed application must be mailed or submitted to the Mammoth Track Club by May 8, 2016. Late or incomplete applications will not be considered for review.

**Award winners will be notified prior to graduation.**
